Instructions for use

- Clean before the first use and after each subsequent use.
- Dishwasher safe in top rack (max. 65°C/149°F).
- Before the first use place in boiling water for 5 minutes. This is to ensure correct hygiene.
- Always check the foods temperature before feeding.
- Stir thoroughly after heating to evenly distribute heat.
- To avoid injury, do not let your baby walk or crawl around with the product in his/her hand or mouth.
- The handles are made from a special high-grade plastic which is hygienic, easy to clean and resistant. Avoid any heavy pressure on it, as this could affect the function.
